Placemat Protocol

What do we do as Administrators, teachers, students and Care providers to allow their disparities to empower students rather than allow them to feel like victims?

Accountable talk

1. I agree with _____ because _____.
2. I disagree with _____ because _____.
3. I have something to add.....
4. I agree with what _____ said because _____.
5. I understand what you are saying, but.....

Suicide Prevention

- ▶ Individuals that are LGBTQ are 4 times more likely than heterosexuals to attempt suicide.
- ▶ <https://www.youtube.com/watch?v=Kb24RrHlbFk>

Evaluating Values

Think :

How can your Bias influence your pedagogy?

(Evaluate yourself to be the best for your students)

If a student comes to you explaining their drug use are you going to stand there and just shake your finger or are you going to ask “How can I help you “?

What stuck with you today ?

- ▶ Write on a sticky note what you will take away from today and place it on poster on your way out.

Directions: Read the following statements and Circle whether you strongly Disagree, Disagree, Agree or Strongly Agree. * Remember to use only Blue or Black ink to keep it as anonymous as possible*
