## EDUCATION TEACHER PERFORMANCE ASSESSMENT (edTPA) LICENSURE SCORES

Elementary Education is scored on an 18-rubric scale; whereas all other exams are scored on a 15-rubric scale. From the inception of the exam to December 2017, the minimum passing score for Elementary is 49 and other exams is 41. Starting from January 1, 2018, the score was reduced to 46 (Elementary) and 38 (all other exams).

NOTE: 6 students did not receive a score as their exam was incomplete in each of the respective years. Their scores are not included in the mean calculations but are included in the percentage passing.

Each academic year had 1 student that did not report their score, as evidence by the TEACH account, the score was not included in the mean calculation. These students were included in the percent passing.
