

GRADUATE ALUMNI SURVEY

Report by Ruth S. Ammon School of Education
Office of Assessment & Research
November 2016

Source: Each year the Adelphi University Office of Research, Assessment, and Planning conducts a survey of graduates from the prior year on their satisfaction with their Adelphi experience and their employment outcomes. This survey of 2014-2015 graduates was completed in Spring 2016. The data below reflects responses from Masters-level graduates (including teachers, speech language pathologists, and school administrators) of the Ruth S. Ammon School of Education. There were 61 respondents out of 339 degree recipients for a response rate of 18%.
