

Report by Ruth S. Ammon School of Education
Office of Assessment & Research
October 2017

Source: Each year the Adelphi University Office of Research, Assessment, and Planning conducts a survey of graduates from the prior year on their satisfaction with their Adelphi experience and their employment outcomes. This survey of 2015-2016 graduates was completed in Spring 2017. The data below reflects responses from Masters-level graduates (including teachers, speech language pathologists, and school administrators) of the Ruth S. Ammon School of Education. There were 77 respondents out of 329 degree recipients for a response rate of 23%. This is an increase of 5 percentage points from AY14-15 (18%).
